KUWASHA INTERNATIONAL DEVELOPMENT SOCIETY

Following Bram's passing in 2023, ICCF Holland transferred all activities to

its sister charity, Kuwasha, in Canada. Kuwasha is dedicated to supporting the Kibaale Community Centre in Southern Uganda through quality Christian education and essential services such as healthcare, vocational training, clean water initiatives, and agricultural programs.

Vim - Vi Improved - a program to enter and edit plain text. Inspired by the standard Unix text editor Vi. It offers many features to edit text very efficiently. Especially suitable for programmers and others who edit text with a syntax. Features include multi-level undo, syntax highlighting, an advanced scripting language, automatic indenting. More can be added with a large selection of plugins Works on many known and less known platforms. Vim is free and open-source software.
